Attention Ms. Melba Knipling

Dear Ms. Knipling:

We have this date approved Form C-104 and assigned an oil allowable in the Blinebry Oil & Gas Pool for the F. F. Hardison "B" Well No. 6 located in Unit J of Section 27, T-21-S, R-37-E. Since the special rules for the Blinebry Oil & Gas Pool prohibit the dual dedication of acreage to oil and gas, it has been necessary to reduce the gas proration unit dedicated to the F. F. Hardison "B" Wells Nos. 7 and 8 from 160 to 120 acres, and that reduction has been made in order that we could assign the oil allowable to Well No. 6.

It will now be necessary for you to obtain approval for the 120 acre non-standard proration unit, and to submit Form C-102 in duplicate for each well outlining the 120 acres now dedicated.

Yours very truly,

OIL CONSERVATION DIVISION
