Re: Proposed Recompletion
J.N. Carson NCT-C #9-I
Sec. 28, T21S, R37E

Gentlemen:

We have approved your intention to abandon the Paddock and recomplete the above-referenced well to the Blinebry.

You have proposed a Blinebry oil well but this acreage currently is dedicated to your J.N. Carson NCT-C #6-P as a Blinebry gas well. Should you complete this as an oil well you will need to have this acreage deleted from your gas proration unit for the #6 well. If it is completed as a gas well you will need approval of a non-standard location and simultaneous dedication.

Very truly yours,

OIL CONSERVATION DIVISION
