NEW MEXICO OIL CONSERVATION COMMISSION

State of New Mexico

REPORT OF THE COMMISSION

The Commission was organized on the 1st day of January, 1924, and has since that time been engaged in a study of the oil resources of the State, with a view to determining the extent of the reserves and the manner in which they should be conserved and developed. The Commission has held numerous public hearings and has received many suggestions from the public. It has also conducted extensive geological and geophysical surveys of the oil fields of the State. The results of its work are set forth in this report.

The Commission is composed of the following members:

Commissioner of Conservation, State of New Mexico, Chairman.  
George W. Brown, Secretary.  
John H. Brown, Treasurer.  
John H. Brown, Member.  
John H. Brown, Member.  
John H. Brown, Member.

The Commission has held numerous public hearings and has received many suggestions from the public. It has also conducted extensive geological and geophysical surveys of the oil fields of the State. The results of its work are set forth in this report.
