Re: Case No. 1677
Order No. R-1409

Gentlemen:

Order No. R-1409 dated May 28, 1959, granted TEXACO Inc. authorization to dually complete the V. M. Henderson Well No. 2 located 660 feet from the north line and 660 feet from the east line of Section 30, T-21-S, R-37-E, Lea County, New Mexico, in the Paddock Pool and in the Blinbry formation adjacent to the Blinbry (Gas) Pool.

This is to advise that operations to perform the proposed dual completion were unsuccessful and the well was ultimately completed as a single Blinbry (Oil) well. It is, therefore, respectfully requested that the subject dual completion Order No. R-1409 be cancelled.

Yours very truly,

J. G. Blevins, Jr.
Assistant District Superintendent
