Re: Reclassification of Well -- Blinbry Oil and Gas Pool  
V.M. Henderson #6-C  
Sec. 30, T21S, R37E

Gentlemen:

The recently submitted gas/oil ratio test on the above-referenced well will cause the well to be reclassified from gas to oil effective January 1, 1990, and the gas allowable cancelled that date.

Please submit two copies of a revised acreage dedication plat, Form C-102, outlining 40 acres for the oil well completion. Also, if the gas transporter changes due reclassification, please submit C-104.

Very truly yours,

OIL CONSERVATION DIVISION
