Nine Greenway Plaza, Suite 2700  
Houston, Texas 77046

Gentlemen:

Due to the recently submitted gas-oil ratio tests for the wells listed below, they will be reclassified as oil wells in the Blinbry Oil & Gas Pool effective January 1, 1986, and the gas allowables will be cancelled that date.

Corrigan Gas Com No.7    Unit P    Section 33, T-21-S, R-37-E

Marshall Com        No.3    Unit D    Section 34, T-21-S, R-37-E

Stephens Estate No.2    Unit M    Section 24, T-21-S, R-37-E

Please submit two copies of a revised Form C-102 for each of these wells outlining a 40 acre proration unit for the oil classification. For the Corrigan Gas Com Well No. 7, you will need to submit Form C-104 designating the oil transporter, and if a change of transporter occurs for any of the wells due to the reclassification, please submit Form C-104 so indicating.

Yours very truly,

OIL CONSERVATION DIVISION

Jerry Sexton  
Supervisor, District 1
