Gentlemen:

Reference your letter of November 16, 1982, (copy attached) concerning the reclassification of the subject well from an oil well to a gas well effective January 1, 1983, and the subsequent cancellation of allowables for this well. Attached are Forms C-102 rededicating acreage to this gas well. Gas is sold to Northern Natural Gas and is metered separately (NNG Meter Station No. 531-014). Request an allowable be assigned to this gas well.

Yours very truly,
