Re: Flaring of Casinghead Gas

Gentlemen:

Farm C-110 for your Mark Owen #4-J 34-21-37 Blinebry
Lease Well No. S-T-R Pool

which was completed 4/1/63, indicates that no connection has been made for the sale of casinghead gas from this well. To comply with Commission Order No. R-553 you must, therefore, obtain a connection, or secure a No-Flare Order from the Commission not later than 7/1/63. Failure to comply with these instructions will result in allowable cancellation without further notice.

Yours very truly,

OIL CONSERVATION COMMISSION
