

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

NOTICE OF INTENTION TO DRILL

Notice must be given to the Oil Conservation Commission or its proper agent and approval obtained before drilling begins. If changes in the proposed plan are considered advisable, a copy of this notice showing such changes will be returned to the sender. Submit this notice in triplicate. One copy will be returned following approval. See additional instructions in Rules and Regulations of the Commission.

Dallas, TexasApril 27, 1939

OIL CONSERVATION COMMISSION,
Santa Fe, New Mexico.
Gentlemen:

DUPLICATE

You are hereby notified that it is our intention to commence the drilling of a well to be known as

Magnolia Petroleum Company Marshall UnitWell No. 1 in SW 1/4 NW 1/4

Company or Operator _____ Lease _____
of Sec. 34, T. 21S, R. 37E, N. M. P.M., _____ Field, Lea County.
N. _____

The well is 660 feet ~~(N.)~~ (S.) of the north line and 790 feet

(E.) ~~(W.)~~ of the west line of SW 1/4 NW 1/4

(Give location from section or other legal subdivision lines. Cross out wrong directions.)

If state land the oil and gas lease is No. _____, Assignment No. _____

If patented land the owner is _____

Address _____

If government land the permittee is _____

Address _____

The lessee is Magnolia Petroleum Company

Address Box 900, Dallas, Texas

AREA 640 ACRES
LOCATE WELL CORRECTLY

We propose to drill well with drilling equipment as follows: _____

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows: Financial Statement of Company filed with Commission and in First Judicial District of New Mexico

We propose to use the following strings of casing and to land or cement them as indicated:

Size of Hole	Size of Casing	Weight Per Foot	New or Second Hand	Depth	Landed or Cemented	Sacks Cement

If changes in the above plan become advisable we will notify you before cementing or landing casing. We estimate that the first productive oil or gas sand should occur at a depth of about _____ feet.

Additional information: This replaces previous plat on W. S. Marshall No. 1 to change name to Marshall Unit No. 1.

MAY 3 1939

Approved _____, 19____
except as follows:

Sincerely yours,

MAGNOLIA PETROLEUM COMPANY

Company or Operator
