

OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below.

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL	X	REPORT ON PULLING OR OTHERWISE ALTERING CASING	
REPORT ON RESULT OF TEST OF CASING SHUT-OFF		REPORT ON DEEPENING WELL	
REPORT ON RESULT OF PLUGGING OF WELL

DETAILED ACCOUNT OF WORK DONE AND RESULTS OBTAINED

This well was acidized May 3, 1947 with 5000 gallon.
Swabbed into pit and flowed approximately 100 barrel fluid
while well was cleaning up. Swab was run four times. Well
was shut in to move the drilling rig.

Title

1. The first part of the document is a list of names and addresses, which appears to be a directory or a list of subscribers. The names are written in a cursive script, and the addresses are listed below them. The list is organized into columns, with names in the first column and addresses in the second column. The names are mostly surnames, and the addresses are mostly street names and house numbers. The list is quite long, and it is not possible to transcribe all of the names and addresses here. However, the format is clear, and it is easy to see how the information is organized.

2. The second part of the document is a list of names and addresses, which appears to be a directory or a list of subscribers. The names are written in a cursive script, and the addresses are listed below them. The list is organized into columns, with names in the first column and addresses in the second column. The names are mostly surnames, and the addresses are mostly street names and house numbers. The list is quite long, and it is not possible to transcribe all of the names and addresses here. However, the format is clear, and it is easy to see how the information is organized.

3. The third part of the document is a list of names and addresses, which appears to be a directory or a list of subscribers. The names are written in a cursive script, and the addresses are listed below them. The list is organized into columns, with names in the first column and addresses in the second column. The names are mostly surnames, and the addresses are mostly street names and house numbers. The list is quite long, and it is not possible to transcribe all of the names and addresses here. However, the format is clear, and it is easy to see how the information is organized.

4. The fourth part of the document is a list of names and addresses, which appears to be a directory or a list of subscribers. The names are written in a cursive script, and the addresses are listed below them. The list is organized into columns, with names in the first column and addresses in the second column. The names are mostly surnames, and the addresses are mostly street names and house numbers. The list is quite long, and it is not possible to transcribe all of the names and addresses here. However, the format is clear, and it is easy to see how the information is organized.

5. The fifth part of the document is a list of names and addresses, which appears to be a directory or a list of subscribers. The names are written in a cursive script, and the addresses are listed below them. The list is organized into columns, with names in the first column and addresses in the second column. The names are mostly surnames, and the addresses are mostly street names and house numbers. The list is quite long, and it is not possible to transcribe all of the names and addresses here. However, the format is clear, and it is easy to see how the information is organized.
