Gentlemen:

O  
In a recent conversation between myself and Mr. Vic Lyon of your Roswell office it was agreed that the Blinebry gas unit dedicated to your Lockhart No. 1 located in Unit D of Section 35, T-21-S, R-37-E be decreased from 160 to 120 acres. This reduction in acreage is necessary due to the completion of the Moran Elliott No. 1 located in Unit E of this section as a Blinebry oil well, and we have made it effective July 1, 1963 as agreed.

P  
Please, therefore, file a revised Form C-128 outlining the 120 acre unit for this well and make application for a Non-Standard Proration Unit Order at your earliest convenience.

Y  
Yours very truly,
