to Application for Administrative
Approval to Dually Complete State
"C" Tract 13 well No. 3,
Drinkard (Oil) Tubb (Gas)

New Mexico Oil Conservation Commission (3)
P. O. Box 871
Santa Fe, New Mexico

Gentlemen:

Reference is made to our letter of May 5, 1955, File: NLH-419-400.1, requesting administrative approval to dual complete State "C" Tract 13 well No. 3, Drinkard (Oil) Tubb (Gas).

We are attaching diagramatic sketch of proposed dual completion equipment which was inadvertently omitted with application letter referenced above.

All operators who offset the lease and who were mailed a copy of application to dual complete are being furnished the diagramatic sketch per list shown below.

Yours very truly,

Ralph L. Hendrickson
Field Superintendent
