## CONSERVATION AND PRORATION

*Helen:*

New Mexico Oil Conservation Commission  
P. O. Box 2045  
Hobbs, New Mexico

Attention: Mr. S. J. Stanley

Gentlemen:

On October 3, 1953, The Texas Company filed a C-103, covering report on results of test of 13-3/8" casing shut-off on our M. B. Wier "B" Well #5, T-20-S, R-38-E, Undersignated Field, Lea County, New Mexico.

This report was erroneously filed and the data submitted was for another well.

In this connection please refer to Form C-103 filed by us under date of July 7, 1953, covering report on results of test of casing shut-off for the 13-3/8" casing on the above referred to well.

The purpose of this letter is to request that you disregard entirely the erroneous report filed October 3, 1953.

Your cooperation in this matter will be appreciated.

Yours very truly,

THE TEXAS COMPANY
