Dear Sir:

On or about April 27, 1950, Hardin and Houston, trucking contractors, will transport 500 barrels of crude petroleum from the tank battery on Stanolind Oil and Gas Company's D. E. Howse "A" Lease, to Stanolind Oil and Gas Company's G. M. Cone, drilling well #1.

This oil will be used for displacing mud and possible acidization.

Yours very truly,

RALPH L. HENDRICKSON
