

NEW MEXICO OIL CONSERVATION COMMISSION  
SANTA FE, NEW MEXICO

# MISCELLANEOUS NOTICES

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

Place

August 15, 1950

Date

OIL CONSERVATION COMMISSION,  
Santa Fe, New Mexico

Gentlemen:

Following is a notice of intention to do certain work as described below at the

Stanolind Oil and Gas Company D. E. Howse "A" Well No. 2 in SE/4  
Company or Operator Lease  
of Sec. 11, T. 20-S, R. 38-E, N. M. P. M., House Field.  
Lea County.

## FULL DETAILS OF PROPOSED PLAN OF WORK

FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS OF THE COMMISSION

No natural tests were obtained after drilling cement in 5-1/2" casing and cleaning out to total depth.

In an effort to further clean out the hole and stimulate any possible production, we propose to wash the open hole (7660-7781) with 1,000 gallons acid. The well will then be swabbed for 24 hours and open hole acidized with 4,000 gallons acid.

Approved AUG 17 1950, 19\_\_\_\_  
except at follows:
