Dear Sir:

On or about August 15, 1950, Hardin & Houston, trucking contractors will transport approximately 400 barrels of crude petroleum from the tank battery on Stanolind Oil and Gas Company's A. L. Foster "B" lease located in the SE/4 of Section 14, T-19-S, R-38-E, to Stanolind Oil and Gas Company's D. E. Howse "A" Well #2, SE/4 SE/4 Section 11, T-20-S, R-38-E.

This oil will be used to displace mud and acidize in connection with completion operations.

Yours very truly,

Ralph L. Hendrickson
