13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Conoco requests renewal approval of the Temporary Abandon status for the above listed well. A valid MIT was run on 6-7-96 and should be on file with your office.

We desire to retain this wellbore while we continue to evaluate the potential for San Andres and Yates 7 Rivers production in this general area. This evaluation should be completed within the next 12 months.
