Note: Report results of multiple completion on Well Completion or Recompletion Report and Log form.

13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Conoco requests renewal approval of Temporary Abandonment status for the above referenced well. A valid MIT was run on 12/5/96 and should be on file with your office.

We wish to retain this wellbore while we continue to evaluate possible uphole potential. This evaluation should be completed within the next 18-24 months.
