

BLM Remarks, continued

---

If you decide to plug and abandon the well, submit for approval, a proposed plugging procedure.

3. Conversion to beneficial use.

If the well is to be used for beneficial purposes, include a brief description of your proposed plans of economic feasibility with an anticipated date for completion. Beneficial use includes, but is not limited to, recompletion to other horizons, conversion to water disposal or injection for secondary or enhanced recovery. Approval for temporary abandonment may be denied if the Authorized Officer determines your justification is not reasonable.
