Dear Mr. Antweil:

We received a letter from Mr. R. F. Montgomery, of the New Mexico Oil Conservation Commission in Hobbs, informing us that Form C-103 has not been filed on the State H, #1-H Well, located in Section 36, Township 20 South, Range 38 East, Lea County, New Mexico.

In February of 1955, when this well was purchased from us by your company, it was our understanding that you would file the proper Plugging forms required by the Oil Conservation Commission.

We request that you file Form C-103, at your earliest convenience, and would appreciate your forwarding a copy to us. Enclosed are copies of various forms to assist you in preparing this form, along with a copy of the letter received from Mr. Montgomery.

Very truly yours,
