Gentlemen:

Form C-102 which you have submitted outlining a proposed plugging program is an obsolete form no longer used by the Commission. We are, therefore, returning it and enclosing Forms C-103 which are to be used for this purpose.

Further, our records show the well in Unit C of Section 16, T-21-S, R-38-E, to be the Numex Well No. 1 rather than No. 2 as shown on this form.

Yours very truly,

OIL CONSERVATION COMMISSION
