Attn: Mr. R. J. Caraway

Gentlemen:

Please refer to your letter of April 22, 1957 in which you advised this office that your Amerada-State Well No. 2 located in Unit O of Section 1, T-22-S, R-35-E is temporarily abandoned.

This is to advise your company that it will be necessary to immediately file all appropriate forms; namely, Form C-103 on the surface casing, Form C-103 on any treatments, and Form C-103 for permission to temporarily abandon. Further, you are advised that it will be necessary to file Form C-105, and if your company desires at a later date to reenter, permission is to be obtained at that time.

Yours very truly,

OIL CONSERVATION COMMISSION
