Gentlemen:

In regard to your letter of February 19, 1959 concerning Carper Drilling Company, Inc. Randel "A" No. 5 Unit N of Section 2, T-22-S, R-35-E, a C-103 on the 5 1/2" casing was approved November 10, 1958. Enclosed is the C-103 showing the treatment and results on this well. The remaining forms are being held up due to the delay in securing a purchaser of the crude. A purchaser for the gas has been obtained and the line is being installed. We will apply for an allowable when they are ready to start taking the gas.

Also enclosed is a C-103 showing the present status of Carper Drilling Company, Inc. Randel "A" No. 6.

Yours very truly,

CARPER DRILLING COMPANY, INC.
