RE: CONE JALMAT YATES POOL UNIT TRACK 1  
WELL NO. 9, UNIT LETTER N, S13-T22S-R35E

Gentlemen:

The above referenced plugged well site has recently been inspected, by an Oil Conservation Division Representative, in an attempt to release the location.

However, before this can be done, the following must be completed.

1. The dry hole marker must include operator name, lease name, well number, qtr/qtr location or unit letter, section, township and range.
2. Clear location of all junk and equipment.

When the above has been done, please sign and return this letter to NM OCD, 1625 N. French Drive, Hobbs, NM 88240.

If you have any questions, please contact Gary Wink at the number stated above.

Sincerely,

CHRIS WILLIAMS  
District I Supervisor
