Place

Date

OIL CONSERVATION COMMISSION.  
 Santa Fe, New Mexico.

Gentlemen:

You are hereby notified that it is our intention to commence the drilling of a well to be known as Tide Water Associated Oil Company State "N" Well No. 1 in NW/4 of SW/4

of Sec. 19, T. 22-S, R. 35-E, N. M. P. M., "Wildcat" Field, Lea County

AREA 640 ACRES  
 LOCATE WELL CORRECTLY

The well is 1980 feet (N.) NE of the S line and 660 feet (E.) NE of the W line of Section 19, 22-S, 35-E  
 (Give location from section or other legal subdivision lines. Cross out wrong directions)

If state land the oil and gas lease is No. B-10853, Assignment No. \_\_\_\_\_

If patented land the owner is \_\_\_\_\_

Address \_\_\_\_\_

If government land the permittee is \_\_\_\_\_

Address \_\_\_\_\_

The lessee is Tide Water Associated Oil Company

Address P.O. Box 1404, Houston (1), Texas

We propose to drill well with drilling equipment as follows: Cable Tools

The status of a bond for this well in conformance with Rule 39 of the General Rules and Regulations of the Commission is as follows: Blanket Bond dated Nov. 30, 1937 with Saint Paul Mercury Indemnity Co.

We propose to use the following strings of casing and to land or cement them as indicated:

Size of Hole	Size of Casing	Weight Per Foot	New or Second Hand	Depth	Landed or Cemented	Sacks Cement
18"	16"	70#	SH	100	Cement	25 sxs
15 1/2"	13 3/8"	54#	New	600	Landed	
12 1/2"	10 3/4"	32#	SH	900	Landed	
9 1/2"	8 5/8"	34#	New	1800	Landed	
8"	5 1/2"	15#	New	4200	Cemented	200 sxs

If changes in the above plan become advisable we will notify you before cementing or landing casing. We estimate that the first productive oil and gas sand should occur at a depth of about 4200 feet.

Additional information:

### Kind of Work Done by Operator

1. The first step in the process of identifying a problem is to recognize that a problem exists. This is often done by comparing current performance with a desired state or goal. If there is a significant difference, a problem is identified.

MAIL ROOM: Mr. J. Edgar Hoover,  
Room 5632, U.S. Department of Justice

1. The first part of the document is a letter from the author to the editor, dated 1964. The letter discusses the author's interest in the topic of the journal and the author's previous work in the field. The author mentions that he has been working on the topic for several years and that he has found the journal to be a valuable source of information. The author also mentions that he has been invited to give a lecture on the topic at a conference in 1965. The letter concludes with a request for the editor to consider the author's manuscript for publication in the journal.
