Re: Reaho Corp. - State "B" well No. 2  
Sec. 25-22S-35E, Lea County, N.M.

Gentlemen:

We are enclosing herewith in triplicate the information necessary for application for exception to the "No-Flare" Order on the Reaho Corporation - State "B" well No. 2 in Section 25-22S-35E. NFO-277 has already been issued on well #1.

Phillips Petroleum Company is now digging ditches and laying the lines to this lease and we feel that gas connection will be made very shortly. Accordingly it will not be necessary to flare the gas for any length of time.

We would appreciate your issuing an exception to the No-Flare Order on the #2 well.

Very truly yours
