Gentlemen:

We are again writing you in regard to your temporarily abandoned Amerada State "B" No. 4 located in Unit O of Section 25, T-22-S, R-35-E, Lea County, New Mexico. Although the Commission requires that you file Form C-103 indicating status and future plans for temporarily abandoned wells at six month intervals, the last such report from you was in June of 1959.

Unless you have definite plans for the future development of this well, this office sees no reason that it should not be permanently plugged. Please advise as to your intention in this regard by filing appropriate forms.

Yours very truly,

OIL CONSERVATION COMMISSION
