INSTRUCTIONS

This form shall be submitted to the DISTRICT OFFICE with the District Office of the Oil Conservation Commission covering each unit from which oil or gas is produced. A separate report shall be submitted for each transporter authorized to transport oil or gas to a well. After said statement has been approved by the Oil Conservation Commission, a copy shall be forwarded to the transporter, one copy returned to the operator and two copies retained by the Oil Conservation Commission.

A new certificate shall be filed for each change in operating ownership and each change in the transporter, except in the case of a temporary change in the transporter involving less than the allowable production for one operation period. The operator shall in his monthly report submit to certify the Oil Conservation Commission District Office that the transporter authorized by certificate on file with the Commission, by letter or otherwise, notified him of oil or gas to be moved by the transporter temporarily moving out of the lease unit and the name of such temporary transporter and a copy of such notice shall be furnished such temporary transporter. Such temporary transporter shall not move any more oil or gas than the estimated amount shown in said notice.

This certificate when properly executed and approved by the Oil Conservation Commission shall constitute permit for production connection and authorization to transport oil and gas from the property named therein and shall remain in full force and effect until:

- (a) Change in ownership changes.
- (a) The transporter is changed.
- (c) The permit is cancelled by the Commission.

If any of the rules and regulations of the Oil Conservation Commission have not been complied with, the same then the report is filed explain fully under the heading "REMARKS".

In all cases where this report is filed to cover a change in operating ownership or a change in the transporter designated to move oil or gas, show under "REMARKS" the name of the new owner and the transporter previously authorized to transport therefrom.

A separate report shall be filed whenever a change in any unit is designated by the Oil Conservation Commission.
