

NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS NOTICES

When this notice is submitted to the Oil Conservation Commission or its proper agent, before the work specified is begun, a copy will be sent and as the order on which will be given the approval with any modifications concerning completion, or the rejection by the Commission or agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional regulations in the Rules and Regulations of the Commission.
