Re: State 157 "G" Well No. 3, Unit A, Section 5,  
Township 22 South, Range 36 East, Jalmat Gas  
Pool, Lea County, New Mexico

Gentlemen:

We have your letter of July 27, 1965, requesting authority to dedicate the 160-acre non-standard gas proration unit approved by Administrative Order NEP-183 to the above well.

We do not feel that formal approval is necessary in order to rededicate this unit to the above well. Your letter of July 27, 1965, and the Form C-102 attached thereto will be sufficient to rededicate the acreage. A copy of your letter of July 27, the Form C-102 attached thereto, and this letter will be placed in the Commission's NEP-183 file, in the State 157 "G" Well No. 1 well file, in the State 157 "G" Well No. 3 well file, and forwarded to our Proration Department and Hobbs District Office.

Very truly yours,
