Re: Order R-634

Gentlemen:

Reference is made to a 320-acre non-standard unit granted under Case No. 857, Order R-634 on May 12, 1955 for your State "A" A/c No. 2, Well No. 12-1, Section 7, Township 22 South, Range 36 East, Jalmat Gas Pool. Further check of the government survey plat book reveals you have only 313 acres in the south half of said section.

Please submit two revised gas well plats to our Hobbs Office for 313 acres for this well to amend your plat submitted on October 21, 1955. This change from 320 acres to 313 acres will be effective January 1, 1956.

Very truly yours,

Warren W. Mankin  
District Engineer
