Gentlemen:

Texas Pacific Coal and Oil Company hereby makes application to drill State of New Mexico "A" Ac. 2 No. 43, 1650 feet from north and 990 feet from east line of Section 8, Township 22 South, Range 36 East, Jalmat Field, Lea County, to the Yates gas horizon, on 320 acre unit, being the east half of Section 8. At this time No. 37, located 1900 feet from the south and west lines of Section 8, Township 22 South, Range 36 East, has assigned to it the entire Section 8, but we now wish to have assigned to this well only the west half of the section, so that the east half may be assigned to our proposed No. 43, as shown on gas well plat attached. We are also enclosing an area plat showing offset operators.

All offset operators have been furnished copies of this request by registered mail.

Yours very truly,
