Unit N, Sec. 8, T22S, R36E

Gentlemen:

In November 1991 you filed an intent to recomplete the above-referenced well from the Eunice SR Qn South Pool to the Jalmat Pool.

Since no progress reports have been received, it is assumed this work was not done and this intent is considered cancelled.

Should you at a later date decide to do this work, please resubmit.

Very truly yours,

OIL CONSERVATION DIVISION
