Gentlemen:

Your intention to recomplete the above-referenced wells from the South Eunice SR Qn Pool to the Jalmat T-Y-SR Pool have been received.

The location of both wells is unorthodox for the 640-acre proration unit. You will need to make an application for administrative approval of these locations with our Santa Fe office.

As soon as the unorthodox location have been approved your intent to recomplete, Form C-101, will be approved and returned to you.

Very truly yours,

OIL CONSERVATION DIVISION

Supervisor, District I
