Re: State A A/c-2 #52  
Unit H, Sec. 9, T22S, R36E

Gentlemen:

The former operator, Hal J. Rasmussen, filed an intent to recomplete the above-referenced well from the South Eunice SR Qn Pool to the Jalmat Pool.

Since no progress reports have been filed, it is assumed this work was never done and this intent is considered cancelled.

Should you at a later date decide to do this work, please resubmit.

Very truly yours,

OIL CONSERVATION DIVISION
