Gentlemen:

Our records indicate that you were notified by form letter dated April 1, 1958 that it would be necessary for you to either obtain a casinghead gas connection or secure a No-Flare order for your Record No. 2 in Unit M of Section 10, T-22-S, R-36-E no later than June 13, 1958. Our files do not reflect that either has been done.

Please file Form C-110 showing that you do have a gas connection or make application for a No-Flare Order at your earliest convenience to avoid allowable cancellation for the well.

Yours very truly,

OIL CONSERVATION COMMISSION
