Gentlemen:

A review of the records for your ~~State 157 B~~ 7 ~~12-22-36~~
Lease Well No. S.T.R.
in the Arrowhead Pool, which has a Gas Oil Ratio in excess
of 100,000-1, indicates that this well should remain in the Arrowhead
Oil pool. The Gas Oil Ratio limit in this Pool is 3,500, which
means that gas production cannot exceed top allowable for the pool multiplied
by the Gas Oil Ratio limit for the pool.

ILLEGIBLE
