Re: Reclassification
McDonald State A/C-2 #11-A
Section 13, T22S, R36E
Eumont Pool

Gentlemen:

Due to the recently submitted gas/oil ratio test for the above-referenced well it will be reclassified as a gas well in the Eumont Gas Pool effective September 1, 1986.

If for some reason you feel this test does not reflect the proper classification of the well, please submit another test for our consideration.

Please advise this office when you have complied with the provisions of Division Order R-8170 governing gas wells in the Eumont Gas Pool concerning separate metering and acreage dedication in order that a gas allowable may be assigned.

Also, if the gas transporter changes due to this reclassification, please submit Form C-104 indicating same.

Very truly yours,

OIL CONSERVATION DIVISION
