## NEW EXICO OF GOVERNATION COME SION

MISCELLANEOUS REPORTS ON WELL

submit this report in triplicate to the Oil Conservation Commission or its proper agent within the test the work specified is completed. It should be signed and sworn to before a notary public for beginning drilling operations, results of shooting well, results of test of casing shut-offs, result of plugging of the other important operations, even though the work was witnessed by an agent of the commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING	G WELL
