

NEW MEXICO STATE LAND OFFICE
OFFICE OF THE STATE GEOLOGIST
SANTA FE, NEW MEXICO

MISCELLANEOUS REPORTS ON WELLS

Submit this report in duplicate to the State Geologist or proper Oil and Gas Inspector within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of water shut-off, result of abandonment of well, and other important operations, even though the work was witnessed by the State Geologist or Oil and Gas Inspector. Reports on minor operations need not be signed and sworn to before a notary public, but such operations should be witnessed by an Oil and Gas Inspector if possible.

Indicate nature of report by checking below:

REPORT ON BEGINNING DRILLING OPERATIONS	<input checked="" type="checkbox"/>	REPORT ON DEEPENING WELL	
REPORT ON RESULT OF SHOOTING WELL		REPORT ON PULLING OR OTHERWISE ALTERING CASING	
REPORT ON RESULT OF TEST OF WATER SHUT-OFF		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF ABANDONMENT OF WELL

REPORT OF THE
COMMISSIONER OF THE
BUREAU OF LAND MANAGEMENT

The following report was prepared by the Bureau of Land Management, U.S. Department of the Interior, for the purpose of providing information to the public regarding the status of the public lands in the State of California. The report is based on the information received from the various field offices of the Bureau of Land Management, and is intended to provide a general overview of the current status of the public lands in the State of California.

The Bureau of Land Management is responsible for the management of the public lands in the State of California, and is committed to providing the highest quality of management for these lands. The Bureau is currently working on a number of projects to improve the management of the public lands, and is committed to providing the public with the best possible information regarding the status of these lands.

The following table provides a summary of the current status of the public lands in the State of California. The table is organized by county, and provides information regarding the total area of public lands, the number of acres, and the number of acres that are currently being managed by the Bureau of Land Management.
