OIL CONSERVATION COMMISSION
SANTA FE, NEW MEXICO

Hobbs, New Mexico

July 22, 1957

(Place)

(Date)

Gentlemen:

Following is a Notice of Intention to do certain work as described below at the

Cities Service Oil Company **State H** Well No. **2** in **H**
(Company or Operator) (Unit)
SE **NE** **17** **22-S** **36-E** **South Eunice**
(40-acre Subdivision) **Lea** **Pool**
County.

FULL DETAILS OF PROPOSED PLAN OF WORK
(FOLLOW INSTRUCTIONS IN THE RULES AND REGULATIONS)

State "H" No. 2 was completed as an oil well in the South Eunice Pool in October, 1955. The GOR on this well on completion was high and it has increased. The current penalized allowable is 7 bbl. per day. It is believed that remedial work would be uneconomical.

This lease has gas units on three sides of it with wells producing from the Yates and Seven Rivers. State "H" No. 2 is situated favorably on structure for a gas well in the aforementioned zones.

It is proposed to perforate the 5½" casing into this zone and complete the well as a gas-oil dual in the Jalmat Gas Pool and the South Eunice Oil Pool.
