Re: Proposed Recompletion  
State "E" #2  
Unit I, Sec. 17, T22S, R36E

Gentlemen:

In September 1991 we approved your proposed recompletion of the above-referenced well from South Eunice SR Qn Pool to the Jalmat Pool.

Since no progress reports have been received, it is assumed this work was not done and this proposed recompletion is considered cancelled.

Should you decide to do this work at a later date, please resubmit.

Very truly yours,

OIL CONSERVATION DIVISION
