Continental Oil Co.  
Box 68  
Eunice, New Mexico

Gentlemen:

We are returning Form C-110 for your State E-17 No. 4 in Unit E of Section 17, T-22-S, R-36-E which has been recompleted as an oil well in the Jalmat Pool. The request for permission to commingle the oil with South Eunice production on this lease must be made on the Form C-110 rather than on Form C-104 as you have done.

Further, it will also be necessary for you to submit Form C-128 showing the acreage now dedicated to this well.

Yours very truly,

OIL CONSERVATION COMMISSION

R. F. Montgomery  
Proration Manager
