Gentlemen:

We are returning Forms C-110 and C-102 indicating a change of lease name and outlining your intention to re-enter the West Arrowhead Deep Unit No. 1 located in Unit F of Section 17, T-22-S, R-36-E.

Since the well has been plugged, please file Form C-101 rather than Form C-102, and it is not necessary to file Form C-110 at all. We do not, however, have Form C-103, Plugging Report, in our file and we shall appreciate your filing that report as well as your Notice of Intention to Re-enter.

Yours very truly,

OIL CONSERVATION COMMISSION
