17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Subject well is an injection well in Continental Oil Company's South Eunice Unit, operated by Continental, and a Jalmat Gas well, operated by Gulf. Well has not produced recently due to mechanical problems, however the well should be returned to production in the near future. The meter has not been removed.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
