Gentlemen:

This is to advise that on May 31, 1980 the Conoco, Inc's, Meyers B23 Fed. #1, (Jalmat Yates) gas well located in Section 23, Township 22S, Range 36E, Lea County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to inability of well to produce into 100# gathering system.

Yours truly,
