To: 'Nelda Morgan - OCD'
Subject: C-115 Error Notices

Nelda,

Our Houston is receiving error notices on the below wells. I checked in your data base and can't figure out why they would be rejecting indicating they are plugged and abandoned. Could you please check and advise.

LEASE NAME	API NO.	FIELD/POOL
JR Phillips B #2 Drinkard - Producing both pools	3002520935	Monument;Tubb/Skaggs
New Mexico M #9	3002532016	Vacuum;Blinebry

Also on the CC Fristoe B NCT-2 #23H (3002534261) the error report is not showing TEPI as the Operator but someone else.

Thanks in advance.

Nelda,

Here is a copy of the query that David Hess ran against our database and it lists all the wells we abandoned in 1993. I hope this helps. Let me know.

Thanks,

Denise
