Re: Revision of Administrative Order
No. MC-1524 Zone Change,
TEXACO Inc., C. H. Weir "A" No. 10
Lea County, New Mexico

Gentlemen:

TEXACO Inc. respectfully requests revision of Administrative Order No. MC-1524 to authorize the dual tubingless completion of C. H. Weir "A" Well No. 10 in the East Weir Blinbry Pool and the Skaggs Drinkard Pool. Order No. MC-1524 authorized the dual tubingless completion of said well in the Glorieta and Drinkard formations of the Skaggs Pool. The Glorieta zone has become uneconomical to produce and an attempt to obtain a commercial producer in the Blinbry zone will be made.

Attached is a diagrammatic sketch of the well, lease plat, and "Application for Multiple Completion". Authorization for a multiple completion in the two pertinent zones has previously been granted on TEXACO Inc.'s M. B. Weir "B" Well No. 7 by Order No. MC-1605.

Yours very truly,

J. A. Schaffer
Assistant District Superintendent
