Re: Reclassification of Well
L. R. Kershaw #11-E
Sec. 13, T20, R37E
Eumont-Y-SR-Qu

Gentlemen:

Due to the recently submitted gas/oil ratio test for the above-referenced well, it will be reclassified to an oil well in the Eumont Pool effective September 1, 1988, and the gas allowable cancelled that date.

If for some reason you feel this test does not reflect the proper classification of this well, please submit another test for our consideration by July 29, 1988.

If the well is to be reclassified to oil, please furnish this office with an acreage dedication plat outlining 40 acres dedicated to this oil well classification. Also, if the transporters change as a result of reclassification, please submit a C-104 so indicating.

Very truly yours,

OIL CONSERVATION DIVISION
