State of New Mexico Oil Conservation Commission P. O. Box 2068 Santa Fe, New Mexico

Attn: A. L. Porter Jr. - Secretary Director

He: Application to Dual Complete S. E. Cone Well No. 4 Sec. 26, T-21-S; R-37-E Lea County, New Mexico

Dear Sir:

Texas Pacific Oil Company respectfully requests administrative approval to dual complete the captioned well in the Wants Abo and Blinebry sones. Upon completion it will be produced through two strings of tubing.

A similar multiple completion was granted administrative approval No. DC-1050 to Gulf Oil Corp. for their Cone No. 1 located in Sec. 26, T-21-5; R-37-E Lea County, New Mexico which is a West offset to our subject well.

All offset operators have been furnished a copy of this application.

Yours very truly, TEXAS PACIFIC OIL COMPANY

NOTE: If the proposed multiple completion will result in an unorthodox well location and/or a non-standard proration unit in one or more of the producing zones, then separate application for approval of the same should be filed simultaneously with this application.

^{*}Should waivers from all offset operators not accompany an application for administrative approval, the New Mexico Oil Conservation Commission will hold the application for a period of twenty (20) days from date of receipt by the Commission's Santa Fe office. If, after said twenty-day period, no protest nor request for hearing is received by the Santa Fe office, the application will then be processed.
